PRODUCT CATALOGUE

CAVE®

Established since 2006, the Group is an ISO9001: 2008 company is a well-known name in the industry of Architectural hardware and high security locking solution for providing a complete range of products to style homes, offices, hotels, hospitals, etc. The company's motive is to provide designers & building owners with versatile collection of door-ware, locking mechanism & glass fixtures & fittings conveying contemporary aesthetics & are manufactured to technological accuracy of highest standard.

## COMPANY PROFILE

Established about a decade ago. San International is engaged into manufacture of Premium Architectural Hardware. Quality comes first has always been the vision and reason for success of the company. The company manufactures all kinds of mortice handles, pull handles, locks etc. in fascinating new designs and various spell bound finishes.

San International owns a fully advanced state-of-the-art plant casting, hot forging, sand & gravity casting, electrophoretic lacquer etc. are available.

The Company makes sure that every single product manufactured meets all the standards set by the company. Innovative, fascinating door locks in mesmerizing finishes not only complement doors of the home but also secure them very well. The Products are being marketed under the brand name of "Cave" and are available across India through a nationwide network.
